**SOMETIME**

Sometime, when you're feeling important.  
Sometime, when you're egos in bloom.  
Sometime, when you take it for granted  
You're the best qualified in the room;  
Sometime, when you feel that your going  
Would leave an unfillable hole,  
Just follow this simple instruction,  
And see how it humbles your soul.  
Take a bucket and fill it with water.  
Put your hand in it, up to your wrist.  
Pull it out, and the hole that is remaining  
Is a measure of how you will be missed.  
You may splash all you please when you enter  
You may stir up the water galore.  
But stop, and you'll find in a minute  
That it looks quite the same as before.  
The moral of this quaint example, is to do the best you can.  
Be proud of yourself, but remember,  
There is no indispensable man.
