

We need your help!

We all know that today's society is being swamped by many ills – violence, out-of-wedlock pregnancies, juvenile delinquency, poverty, substance abuse, etc. Many of these devastating ills can be ascribed to the fractured and dysfunctional family unit with the father absent from the household.

The Masonic Community Center Foundation, an IRS 501(c)(3) organization, has developed a bold and innovative program that is designed to help address these critical issues: the *“Fatherhood-Family Initiative”*. This Initiative will help develop/strengthen the essential father-son relationship and will result in a strengthened family.

Won't you please make a generous contribution to help bring this Initiative to those fathers and sons who have suffered much from societal ills? All donations will be gratefully acknowledged and are tax deductible as provided by the law.

Please make your check payable to the **“Masonic Community Center Foundation”** and mail to:
